

City Guide

THE CITY - also known as the "Big C" - the megacity with 89 million inhabitants. Divided among 4 companies - one of them: GRAND ECHO, which rules over the western region.

THE MINUS

Explore the most important locations of this season.

1 THE MINUS

A gigantic hole in the middle of the city.
Until today, no one knows what it is -
or what it is not.

2 Golden Tower

One of 175 towers in total. Also known as the
"Main Tower" – the Headquarter of GRAND
ECHO and home to **Echo VI**.

Here **Rickshaw** receives the assignment from
Echo VI, that gets our story rolling.

3 The Road of Heroes

Huge monuments are build in honor for those
brave enough to fly into THE MINUS.
They're ceremoniously unveiled all over the city
- but mostly on this grand avenue.

Eric-Righthand also has his own statue here,
for all to remember his heroic act.

4 Forbidden Zone

The area - about four blocks - around THE MINUS is shut down and prohibited for citizens. it serves as hideout for **the Rats**.

Here **Traveler** kidnaps **Rickshaw** and subjects him to a violent, illegal Memo-intrusion.

5 Echo Academy

At the *Echo Academy*, the most talented children are subjected to enormous physical and psychological strain with the goal of finding the next Echo. **Eric-Righthand**, **Traveler** and **Mona** (now **Echo VI**) once all attended the *Echo Program* here.

6 Where the Ships are

Shipwrecks in the desert outside of the city. They are inhabited by **Rats**. It's been home to **Traveler** ever since she fled the *Echo Program*.

7 Faculty of Memories

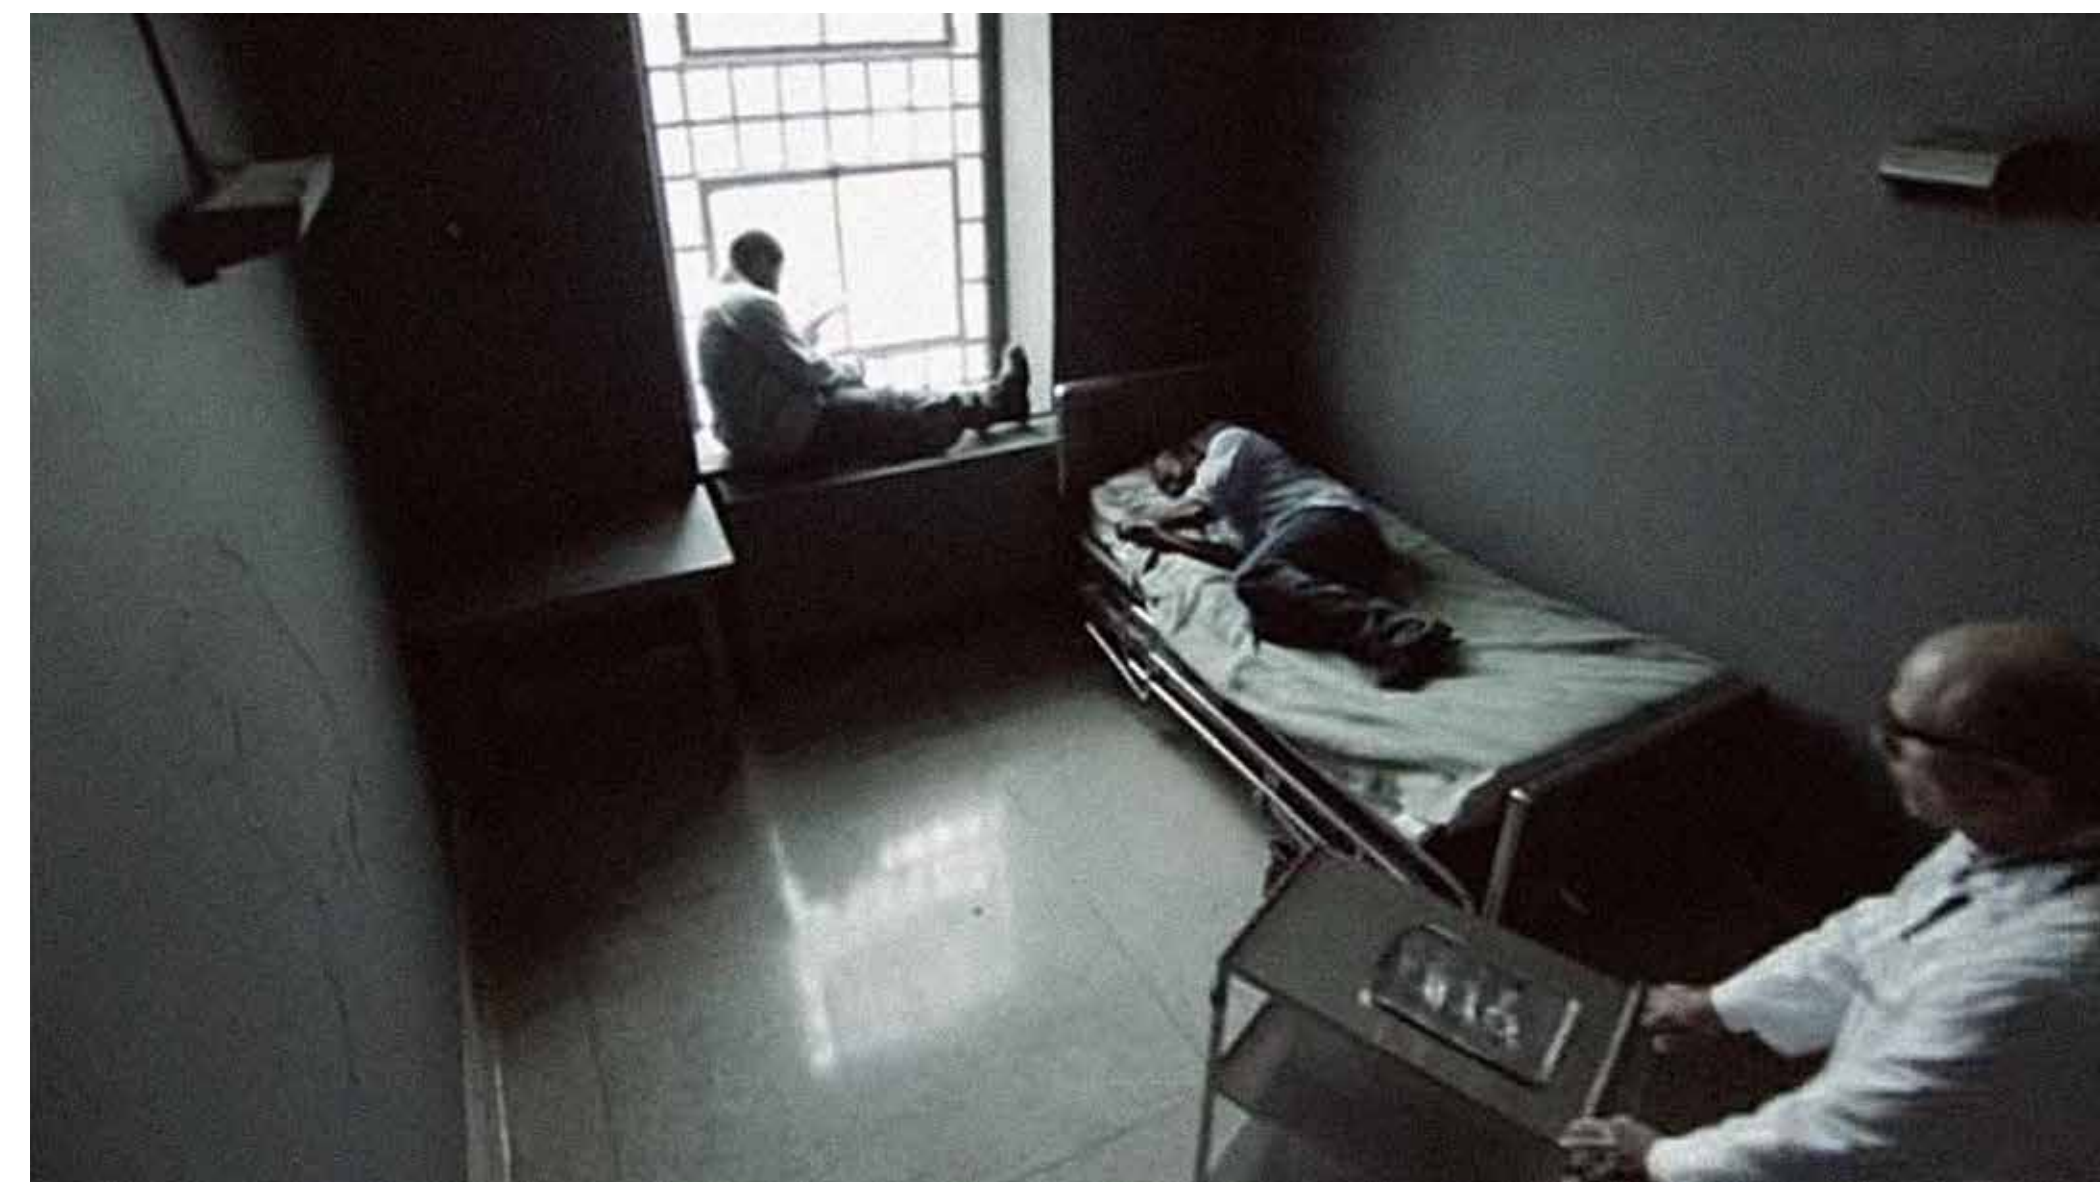

Memo school, memory estate and experimental labs - at the GRAND ECHO *Faculty of Memories*, it's all about how the human brain works.

After suffering a neural rupture, **Rickshaw** turns to the medical advisors of this facility for help.

8 Nursing Department

Part of the *Faculty of Memories*. All those Memos who lost their minds during their work are cared for here. One of them is **Fink**. **Rickshaws** best and only friend.

9 The White Tower

A popular party location for the *Upper Class*. **Scalas** living quarters are located in this tower. **Rickshaw** visits her here to return one very special memory.

10 Silk Factory

There are millions of white moths near THE MINUS. No one knows why. The cocoons of these peacock moths are collected and sent to the silk factory of GRAND ECHO Clothing.

Pancake is one of the cocoon collectors.

11 Living Unit

This is where many *Lower Level* residents live. Including the orphan boy **Pancake**.

Rickshaw once visited him in a desperate search for a cure to his leaking brain. Instead he discovers something way more valuable.

12 The Grand Wall

Originally the building of the enormous wall was initiated for safety reasons - but also to hide possible discoveries from the public.

In one of the 24 **tech segments** of the wall abyss meets salvation.
